**ADMINISTRATIVE LAW JUDGE'S SECOND RULING
REVISING SCHEDULE**

On August 11, 2005, I issued a ruling establishing a revised schedule for serving testimony, evidentiary hearings, briefs and a presiding officer's decision in this proceeding. As that ruling indicated, the revised schedule accommodated a joint request by Pacific Gas and Electric Company (PG&E) and the Consumer

Protection and Safety Division (CPSD) related to difficulties in PG&E's production of documents in response to data requests.

On December 16, 2005, CPSD requested an additional extension of the direct testimony due date due to the fact that PG&E would be providing an updated response to a discovery request after the due date for prepared testimony. CPSD initially sought an extension until Monday, December 19, 2005. CPSD's request was granted and was followed by a series of telephonic conferences conducted on December 19, 2005, January 10, 2006, and January 20, 2006, during which the parties discussed the status of the outstanding data requests and any necessary revisions to the schedule in this proceeding. At the January 20, 2006 telephone conference PG&E confirmed that as of January 11, 2006, it had served CPSD with the requested discovery.

Because of these events, the parties agreed to a further extension of time in the schedule. The Parties acknowledged that based on the events that have transpired, good cause exists for the Commission to process this case in more than one year, if necessary. The Parties also agreed to the revised schedule set forth below with the exception of the start date for evidentiary hearings, which has been adjusted slightly to provide for hearing room availability.

The revised schedule is as follows:

| Date | Event |
|---|---|
| Friday, February 3, 2006 | Staff and Intervenors serve direct testimony. |
| Friday, March 31, 2006 | PG&E serves responsive testimony. |
| Friday, May 5, 2006 | Staff and Intervenors serve rebuttal testimony. |
| Friday, May 12, 2006 | Parties exchange (by email or fax) cross-examination estimates with each other and the ALJ. ALJ Halligan's email is jmh@cpuc.ca.gov. The estimates shall be sent so that they are received by 5:00 p.m. |
| Monday, May 15, 2006 | Prehearing Conference |
| Wednesday, May 24, 2006, commencing at 9:30 a.m. to be continued day to day as necessary through June 6, 2006 | Evidentiary hearings in the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, CA. |
| Friday, July 7, 2006 | Concurrent opening briefs filed. |
| Friday, July 28, 2006 | Concurrent reply briefs filed. |
| Friday, September 26, 2006 | Presiding Officer's Decision. |

IT IS RULED that the schedule is revised as set forth in this ruling.

Dated February 16, 2006, at San Francisco, California.
